Old Business

Charter Oak Rally -

We had another successful rally with around 50 people in attendance (it helped that the weather cooperated).

Tim thanked everyone that helped out at the event.

We do not have the final numbers, but we turned a modest profit.

Around 12 members attended this year's MOA rally. Weather was great, the facility was one of the best.

The date and location for this year's BMW RA national rally is Woodstock, VA on Sept 5-8

Because the BMW RA rally is the same weekend as we usually have our picnic, our picnic will be the following Sunday, Sept 15.

Larry has reserved Stanley Park Children's Pavilion. Ron will send a check. Tim will contact Kane's Market of the date and discuss pricing.

Tim will send out an email notifying members of the date.

Club membership cards are temporarily on hold while we resolve an issue with the required software.

Tim will continue to work with Garrett.

Tim will also look into the cost for cards to welcome new members printed for anyone who wants them.

Sharing our list of members with the club still needs to happen.

Future Meetings/Events

## New Business ?

During the MOA rally discussion, we were notified that Frank Florio, our MOA Regional Rep was involved in an accident when returning home from the rally. His pelvis was broken in the accident. Tim will send him an email wishing him a speedy recovery.

A \$15 fee will be collected from each non-member that wishes to stay in the cabin at the Finger Lakes Rally (Aug 30 – Sept 2). Ron sent a check for \$150 to pay for a cabin and there was discussion and agreement to charge non-members \$15 each (Brian Fisk suggested that they could join the club for \$20, stay in the cabin and attend the picnic for free).

The club voted to donate \$100 to the GoFundMe for the recent motorcycle accident that occurred in New Hampshire involving Jughead MC Marine Veterans. A motion was made by Chris Jennings to donate \$100, 2<sup>nd</sup> by Jay Lyman and unanimously approved. Ron Faibusch will make the donation.

Mtg adjourned at 1:38 PM
