The 2024 Little Acorn Campout will be held on Memorial Day Weekend (Friday & Saturday nights). If you would like to reserve a site, go to ReserveAmerica.com and punch in Mashamoquet State Park CT or go to our website for a link to the site. Make sure that you specify the Wolfs Den campground location.

For anyone who is planning to attend the MOA rally this year, I sent out an email regarding Group Camping Sites and canopies/tables. Brian Fisk, have you been able to make those arrangements? Stu Greene is planning to get together, possibly this week, to discuss possible routes with points of interest should anyone wish to attend. Might be at MAX's in S. Windsor.

Nord would like a head count of those attending the MOA rally. Two other clubs will be attending (Yankee Beemers and RI BMW)

A motion was offered by Brian Fisk to not sponsor a club tent at this year's MOA Rally due to the seeming low attendance anticipated from our club, Yankee Beemers, and RI club. Motion was seconded by Nord and adopted unanimously.

If you would like an event to be listed, provide details of the event using the Contact Us page on our website. Details should include day, time, street address of the meeting location and any other helpful info and I will post it on the website and send out an email.

The sign-in sheet that was passed around at today's meeting will help us see what portion of our membership actively attends meetings.

Recap of last club's meeting, that sign in sheet will not be published but would be saved on server for website for those who have access to update the website.

At our last meeting, I entertained a discussion asking your opinion on publishing the list on-line with the meeting minutes. The consensus was to not publish the list. The attendance lists will be stored for future reference in a private folder attached to our website with access limited to the Webmaster and select persons that manage our website and other club documents.

There have been a few recent updates to the website. Jay Lyman recently brought paper copies of T-CLOCS (motorcycle Inspection Checklist) and motorcycle Load Limit Calculator to one of our meetings. Both of those are now available on our website. You can find them by clicking on Events and scrolling down to Assorted Links.

A few members have recently been Unsubscribed from our email list. I do not know how this happens, but if you are not receiving emails at least once a month, please let me know. As I am unable to add you myself, I will send you an email with instructions and a link to get you back on our list.
