I hope everyone who wanted to get together with Stu Greene to discuss possible routes and points of interest to this year's MOA Rally was able to do so.

Nord Christensen has arranged for a New England site at the MOA rally for people to gather and will be contacting the BMW RA to see if they will do the same for the RA rally - Aug 29 to Sept 1 at Fryeburg, ME.

Gary announced the AMA hill climb is scheduled for May 5 in Munson, Mass.

If you would like an event to be listed, provide details of the event using the Contact Us page on our website. Details should include day, time, street address of the meeting location and any other helpful info and I will post it on the website and send out an email.

You should have received emails regarding 2 BMW's for sale. I hope everyone received those emails.

All of the members that did not renew their membership for this year have been removed from our roster and email list.

I believe that the few members that recently were unsubscribed from our email list have resubscribed.

At this year's Winter Banquet, we agreed to provide 2 people from Wagner Motorsports seats at the club's cost. Those individuals arrived with several costly door prizes which, at the time, we felt justified offering them the invitations. We need to discuss how we should address future considerations for doing something similar.

Tim asked for input for whether it was appropriate or in the club's best interest to provide complimentary Winter Banquet tickets to businesses for donations such as Wagner's this past one and Max's BMW years ago.

The issue is to be further evaluated as both dealers have contributed as well the possibility of other motorcycle related dealers.

Bill stated that the comp dinner rewards dealers and builds a relationship with the club and its members.

Our next meeting will be in June (no May meeting due to holidays and other conflicts).

June meeting - Sunday, June 2 at 1:00 PM.
